

I just returned from CSE's Newfoundland to Nova Scotia tour and I can tell you that we were very sad to see our trip end.

Sailing on the Caledonia, was not just another vacation, it was an experience, an adventure all it's own.

I was very leery when heading out because I'm very afraid of water, but within minutes of sailing out of Corner Brook, Newfoundland, I was totally comfortable, in awe of my surroundings and "Fearless".

Captain Kim and his well trained "hands on deck" were the biggest part of making this trip a unique experience that I will remember always. They were courteous, helpful, informative and more. They were fun and worked extremely hard to ensure a fun and safe excursion, on and off the ship.

A big thank you to our Chef & Sous Chef, Steve & Lori...the meals were wonderful, full of flavour and were a reflection of the areas we travelled in and happy hours, were exactly that..."a happy hour".

As well, a thank you to Michelle, who always had some new adventure planned or experience to be had on and off the ship. Our tours were wonderful and we managed in our week to see many beautiful places and do many different activities.

Thank you to Tommy for taking the "old girls" out on the town and allowing us to share a "staff" night out in Iles de la Madeleine. Karaoke was fun!

Cory M...thank for the encouragement to climb the rigging, with your encouragement and a good harness, I climbed to the furthest point of the bow (in photo) and stood like I was "Queen of the World".

And... a big thank you to all the other staff, hopefully, I'm not forgetting anyone...Virgal, Pierre, Ivo, Girty, Jenn, Mariza, Amara, Ashley, Nick, Corey D, Erica, Mark, Peter & Leah..oh!! and Cabin Boy Louie...you were all wonderful Ambassadors of the Canadian Sailing Expeditions and provided me with a wonderful introduction to the East Coast of Canada.

Thank you again...I will definitely be an Ambassador for Canadian Sailing Expeditions and the Tall Ship-Caledonia!
